

WARRNAMBOOL STATION

Station car park construction

Construction will take place July - October 2018

We are upgrading the car park at Warrnambool Station with 175 new parking spaces and improved pedestrian access. A small section of the car park will be closed during the upgrade. Please consider alternative parking arrangements.

These works are part of the Victorian Government's *Road and Rail Minor Works Program*, delivered by VicTrack, to upgrade stations, bus stops and interchanges across regional Victoria.

Thank you for your patience during construction.
