WOODEND STATION

Station car park construction

Construction will take place March – June 2018

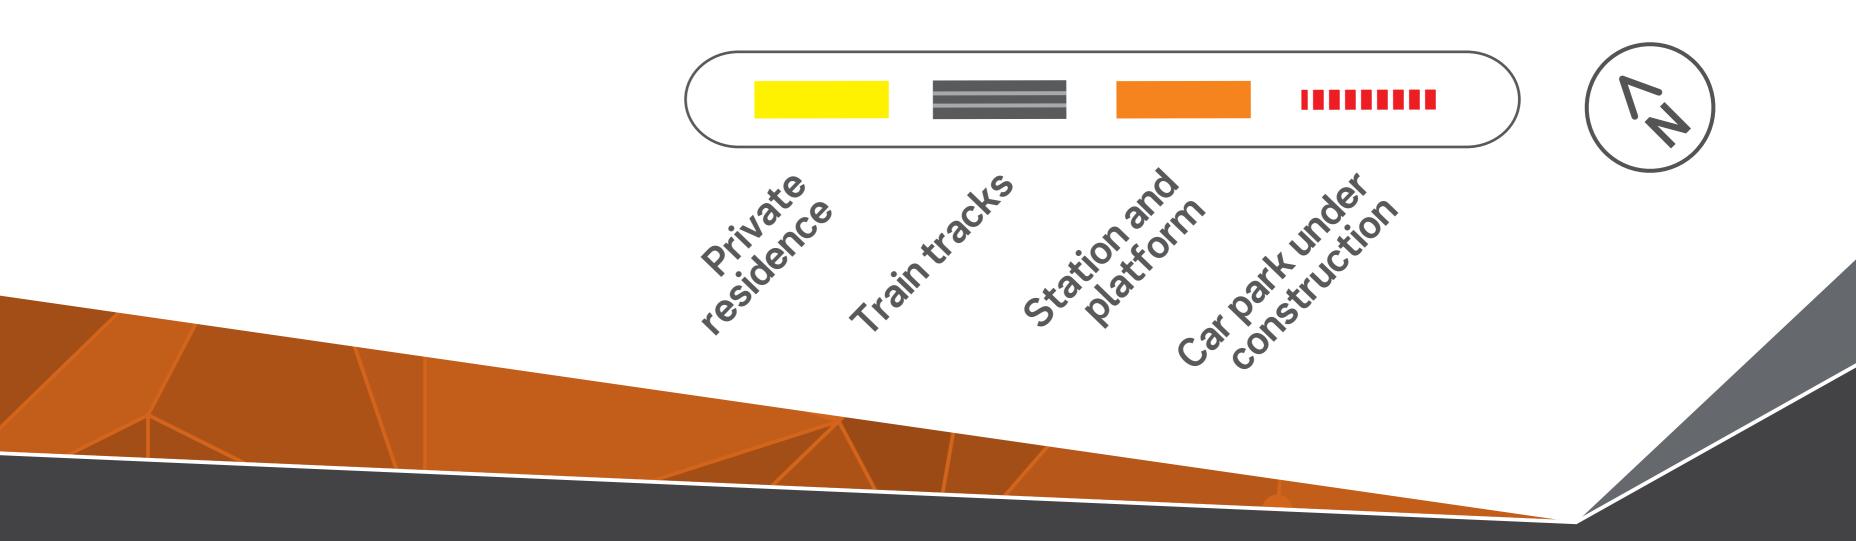

The car park at Woodend Station will be upgraded with 200 new car parking spaces. The existing informal car park will be closed in stages during construction to reduce the impact.

These works are part of the Victorian Government's Road and Rail Minor Works Program, delivered by VicTrack, to upgrade stations, bus stops and interchanges across regional Victoria.

D) New footpath linking Corinella Road and the pedestrian crossing

E) New footpath
