

Belgrave Station

Start of works and commuter car park closure

Works to construct the new multi-level car park at Belgrave Station begin on Wednesday 23 March 2022, when the existing commuter car park at Belgrave Station closes.

From Wednesday 23 March, passengers who usually park at Belgrave Station are advised to use a new temporary car park at Upwey High School, near Upwey Station.

Alternative commuter car parking near Upwey Station

The 170-space temporary car park is within walking distance (7 minutes, 500m approx.) to Upwey Station via a dedicated pathway which has lighting and CCTV for safety.

To access the car park from Belgrave, travel along the Burwood Highway towards Upwey.

Traffic is directed to enter and exit the car park via different routes in the morning and afternoon weekday peaks, to reduce the impact on residents.

Between 6am and 9am, Monday to Friday:

Enter the car park through Chosen Avenue via Alexander Avenue, and leave through Chosen Avenue via Burwood Highway. Passengers travelling from Belgrave on Burwood Highway should turn right at Rutherford Road to access the car park.

Between 3pm and 6pm, Monday to Friday:

Enter the car park through Chosen Avenue via Burwood Highway, and leave through Chosen Avenue via Alexander Avenue.

Signs will be in place to show the restrictions and traffic management will be in place when the temporary car park first opens.
