

# Bus zone on Belgrave-Gembrook Road

## New bus parking zone on Belgrave-Gembrook Road

VicTrack is delivering a new multi-level car park at Belgrave Station.

To support the recent relocation of the bus interchange, a new bus parking zone on Belgrave-Gembrook Road will be created – see location below.

This zone will be clearly marked and only be available for commuter bus parking – this zone must remain clear at all times. We thank you for your understanding while works progress at Belgrave Station.

## CAR PARKS FOR COMMUTERS

### Alternative commuter car parking at Upwey High School

Alternative parking is available in a temporary car park at Upwey High School. The car park is accessed via Chosen Avenue and is within walking distance to Upwey Station.

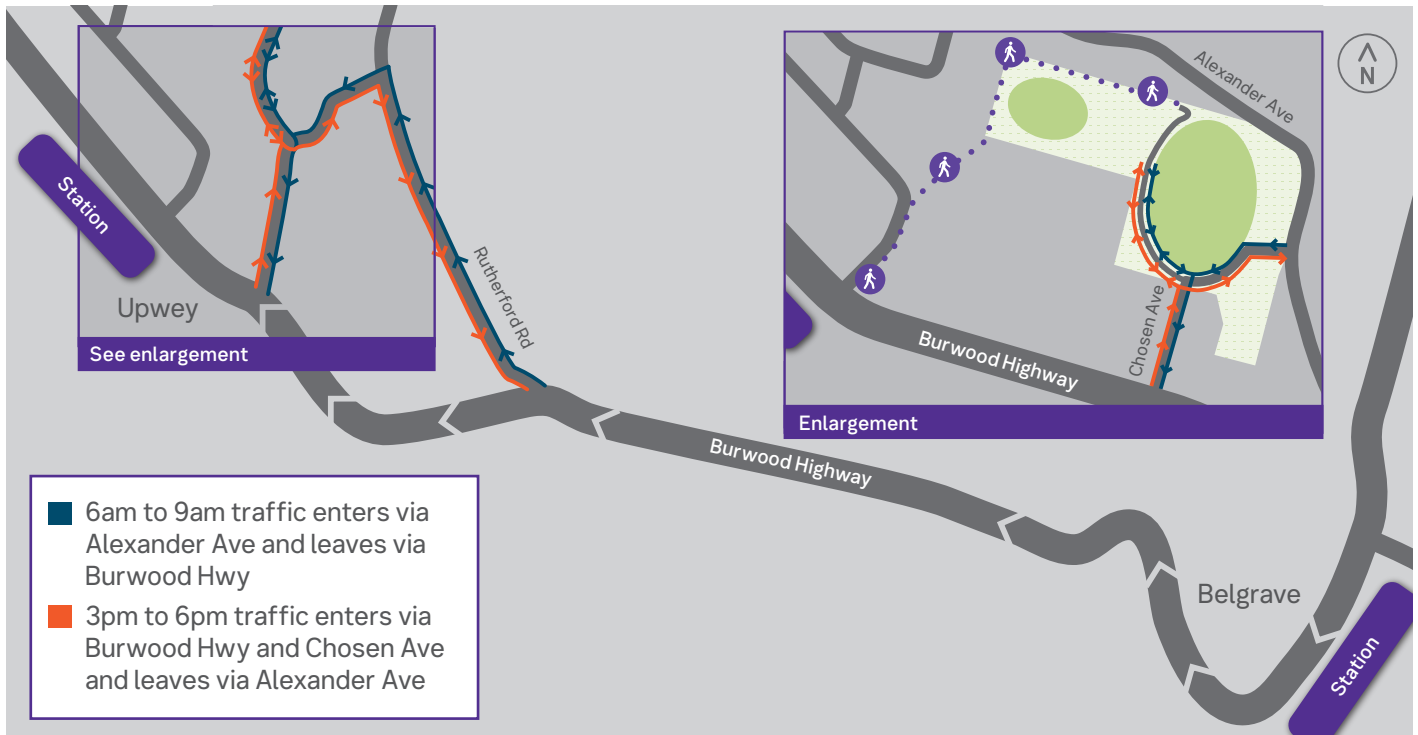

To access the car park from Belgrave, travel along the Burwood Highway towards Upwey. Traffic is directed to enter and exit the car park via different routes in the morning and afternoon weekday peaks, to reduce the impact on residents.

#### Between 6am and 9am, Monday to Friday:

Enter the car park through Chosen Avenue via Alexander Avenue, and leave through Chosen Avenue via Burwood Highway. Passengers travelling from Belgrave on Burwood Highway should turn right at Rutherford Road to access the car park.

#### Between 3pm and 6pm, Monday to Friday:

Enter the car park through Chosen Avenue via Burwood Highway, and leave through Chosen Avenue via Alexander Avenue. Signs will be in place to show the restrictions.
