

THE REGISTER

Section	Surface	Material Description	Hazard	Sample Number	Result	Quantity	Photo Number	Friability	Asbestos Type	Condition	Air Exchange	Activities	Risk Ranking	Comments / Recommendations
Drivers Controller 1	Floor	Timber											-	
Drivers Controller 1	Walls	Laminated timber											-	
Drivers Controller 1	Walls and ceiling	Paint	Lead	Lead Test Kit	Positive					Good		Low	Low	
Drivers Controller 1	Ceiling	Laminated timber											-	
Drivers Controller 1	Electrical wiring	Insulation	Asbestos	-	Assumed Positive			Non Friable	Moderate	Good	Low	Low	Low	Program removal of ACM prior to a change in activities or programmed works that may impact upon this material.
Drivers Controller 2	Floor	Timber											-	
Drivers Controller 2	Walls	Laminated timber											-	
Drivers Controller 2	Walls and ceiling	Paint	Lead	Lead Test Kit	Positive					Good		Low	Low	
Drivers Controller 2	Ceiling	Laminated timber											-	
Drivers Controller 2	Electrical wiring	Insulation	Asbestos	-	Assumed Positive			Non Friable	Moderate	Good	Low	Low	Low	Program removal of ACM prior to a change in activities or programmed works that may impact upon this material.
Drivers Controller 2	Main switchbox lining	Black electrical backing board	Asbestos		Positive	1 Unit		Non- Friable	Low	Good	Low	Low	Low	Program removal of ACM prior to a change in activities or programmed works that may impact upon this material.
Passenger Compartment	Floor	Bituminous membrane on timber	Asbestos	725-3	Positive	40 m ²		Non- Friable	Low	Good	Low	Low	Low	Program removal of ACM prior to a change in activities or programmed works that may impact upon this material.
Passenger Compartment	Walls	Laminated timber											-	
Passenger Compartment	Walls and ceiling	Paint	Lead	Lead Test Kit	Positive					Good		Low	Low	
Passenger Compartment	Ceiling	Laminated timber											-	
Underside Drivers Controller 1	Cable trays	Timber											-	
Underside Drivers Controller 1	G1	Brake lining	Asbestos	725-4	Negative								-	
Underside Drivers Controller 1	G2	Brake lining	Asbestos	Refer 725-4	Negative								-	
Underside Drivers Controller 1	G3	Brake lining	Asbestos	Refer 725-4	Negative								-	
Underside Drivers Controller 1	G4	Brake lining	Asbestos	Refer 725-4	Negative								-	
Underside Drivers Controller 1	Bogie	Dust	Asbestos	Refer 725-4	Negative								-
